GLOBAL GLORIOUS MISSIONS INTERDENOMINATIONAL AKA GLORIOUS MISSIONS IN BRIEF

The Global Glorious Missions (aka Glorious Missions) is an indigenous faith base Mission Outfit (Ministry) that was officially inaugurated on the 2nd of May, 2004 at Ungwan Romi Kaduna by Rev. David Kanda of Harvesters for Christ Ministry Kaduna. Prior to that day, we have been actively involved in outreaches/evangelism, mission field visit to win souls and plant Churches in the hinterlands of Northern Nigeria, and despite the Islamic and animist hostility in some places, the Lord have always glorified Himself by giving us victories. We are full members of Nigerian Evangelical Missions Association (NEMA) for over ten (10) years now and God is helping us.

Most of our Mission fields were unreached with the gospel of the Kingdom found mostly in the hinterlands of the Northern Nigeria where they are not just cut off from the gospel, but also from every social amenities, coupled with the fact that the roads are very deplorable and difficult to access during raining season. They are not just spiritually naked, but physically as well. When we started working among them, they were almost naked unbelievers, illiterates with a very high rate of infant and maternal mortality etc., reverse is the case, even though some of the new Mission fields we engaging are still mostly/almost naked and 100% illiterates hence no western education available.

They are without schools, no any form of medication, not even a pharmaceutical store, and during the dry season, the streams they get water from are dead dry except for some dirty stagnant ponds which they scoop and drink, competing with their animals. No toilets, they defecate close to their streams because it's always bushy and during raining season, the rains wash it down into the same streams.
The people groups we presently work among are as follows:

The Gbagyi People Group of Kaduna and Niger State Duawa, Gelawa, Fulani, Tiv, Kambari, Borgu And Dakarkari People Groups of Niger, Kwara and Zamfara State. Lopawa, Bangi People Group of Kebbi and Niger State, Miyawa and Jinbunawa People Groups of Bauchi State Hausa People Group, Kano State, Fulani People Group in Niger Republic, Isawa, Gungawa, Signi, Diknu, Achifawa, Fakkawa People Group, Jju and Koni and Kom People Group Kaduna/Niger and Kebbi, Kanuri, Tourec Gobirawa people group LGA Diffa, Niger Rep. Sarkawa people group, Ngaski LGA, Kebb State.

SUPPORT BASE

The ministry is a faith – based organization that depends wholly on God through partnership with well-meaning believers who seek to fulfill the Great Commission. We seek for partners with burden for the unreached peoples of the world. Join us to raise the banner of Christ in all nations (people groups and tribes). Jesus is coming soon.

PROGRAMMES/OUTREACHES

We run three major programmes:

1. Annual Missionaries' Retreat/Annual General Meeting (AGM): this takes place every January, always culminating in the AGM. The Retreat brings all our missionaries from the fields to the Headquarter to tarry in God's presence, get refreshed spiritually and physically, and to reacquaint themselves with the vision of the ministry and latest development as it relates to the Great Commission. The AGM however attracts all members of the ministry from all walks of life who come to receive the word and report of their partnership with the ministry.
2. Annual Mission Convention: This takes place May of every year, the month which the ministry was birthed. It brings all missionaries, members and converts to the headquarter where all gets challenged to be committed to the Kingdom task. Missionaries are given opportunities to give mission cries (reports) and challenge participants to continue with or get committed to the work. Resource persons are carefully and prayerfully selected; men and women with proven testimonies in their walk with God and are seasoned mission veterans.
3. Annual General Mission Outreaches: This takes place during the Christmas period of every year. Believers from different denominations come together under God to invade the fields with the Gospel. Diverse testimonies of Conversions, rededications, healings and deliverance, etc. abound to God's Glory.

Other programmes run by the ministry include:

i. Discipleship Making Movement (DMM)
ii. Evangelism/Tracts Distribution and Production
iii. Mobilizations/Mission Awareness

OUR TESTIMONIALS

Our Testimonials are the lives of people transformed by the power of God through the Gospel He committed to us which we communicate faithfully without adulteration, we don't preach the Gospel to achieve any purpose than that men be saved, lives transformed and all to the glory of God. We recognize that we are just channels through whom God uses to pass His treasure to the lost, and the needy, we are contented in being so regardless of human accolades. Our sufficiency is in Him. Countless number of people have been saved and are being saved through our ministry, discipled and released as missionaries/soul winners wherever God chooses to sent them.

and agenda for the convention as we bring to focus again the necessity for accelerating the harvest and the need to be committed disciples to the Father's vision and mission. Thank God because the glory of the 2025 missions' convention shall exceed those of the previous years (Proverbs 4:18, Haggai 2:9). Plead with God for open heavens for supernatural harvests of souls, raising of committed and die-heart disciples, and the restoration of lost grounds as we look to the Lord of the Harvest to conquer new territories. Pray for safety, provision and fair weather as the convention starts next week. Continue to pray, give, mobilize others and plan to attend.

Hausa (Niger Republic): Population: 14,115,000 Language: Hausa. Religion: Islam:(94%). Ethnic Religion (4%), Christianity (2%). The people of Niger republic belong to many different ethnic groups, each with its own language and customs. One of these groups is the Hausa. Whether farmers or herders, the Hausa people need adequate rain in their homeland. Christian workers can serve them and the Lord by helping them to sink boreholes and dig wells to provide safe water sources, as access ministry. Pray that traditional Muslim culture will be softened, creating open doors for the gospel. Ask the Holy Spirit to open Hausa people's hearts to be receptive to the gospel. Pray for our labour among the Hausa of Niger republic that it will continue bear more fruits that abides and reproduce.

SUN. 4TH MAY: As the preparations for the convention gathers momentum, please take this time to thank God for the human vessels packaged by God as resource persons for the program. Ask God to envelope them with His glorious presence and power, putting His word in their mouths and grant them the grace to faithfully discharge His counsel to His people (1 Cor. 4:2), and for open hearts to receive God's word coming through them. MON. 5TH MAY: We join the Host of Heaven in gratitude for the gift of God's servant, the General Coordinator. Today, Evangelist Samuel Yahaya, the General Coordinator is plus one. God has added a year to his years. Kindly take this time to thank God for the great things He is carrying out through him and the entire ministry. Pray that as repentance and remission of sins is preached in Jesus' name to the Bambara people, there shall be massive harvest of souls. (Luke 24:47).

TUE. 6TH MAY: Continue to pray for the General Coordinator and his family, Chairman and every member of the planning committee that the Lord will renew their strength and increase their wisdom. Wolof (Senegal): Population: 6,016,000. Main Language: Wolof. Religion (99.49%). Ethnic religion (0.50%), Christianity (0.01%). Islam and Wolof identity are closely intertwined. The colonial masters and their rulership gave the Wolof a bad impression of Christianity. There is a great need for labourers who are sensitive to the Wolof culture to take Christ to them in a way they can understand and embrace. Pray for effectiveness of the Jesus Film, radio gospel recordings and other evangelistic tools among the Wolof.

WED. 7TH MAY: This is the day that the Lord has mas made, we will rejoice and be glad in it. As we begin the 2025 Annual Mission Convention today, Ezekiel 1:1-3; take this time to pray that the heavens will be opened to empower participants. The Zarma people need clean water to drink as their water often contains harmful bacteria which causes sickness and diseases. Pray for the Zarma people, like the woman at the well; their thirsty souls shall drink from the river of life that satisfies the longing of the soul and the physical water is provided.

THUR. 8TH MAY: Thank God for the great testimonies witnessed yesterday in the convention. As we make progress today, pray for more testimonies as we trust God through the Holy Spirit to stir and recruit committed and obedient disciples.

The harvest is plentiful and there is need of die-hard missionaries, intercessors and financiers who will join hands with us in to respond to the great opening among the Fulani, Tuaregs, Kanuri, Hausa and Isawa of Niger republic and Nigeria and several others. A great and effectual door has been opened for us amongst them, but we still believe God for passionate groaners, givers and goers. Pray that every participant will receive the supernatural touch of God, be filled with the Holy Spirit that will spark a strange dimension of missionary zeal and passion in taking the glory of God to their people. As we continue to uphold all His servants.

Fulbe-Futa (Guinea): Population: 4,790,000. Main Language: Pular. Religion: Islam (Sunni 99.99%), Christianity (0.01%). Efforts to evangelize these people have resulted only in a very small number of Fulbe believers. They are very devoted to their Islamic religion and see it as a fulfillment of their needs. Ask God to raise up intercessors who will not rest until the land is broken up and Christ is enthroned

among this people's group. Ask the Lord to bring forth a strong and viable Church among the Fulbe for the glory of His name.

FRI. 9TH MAY: Thus far, the Lord has helped us in the ongoing Convention. Thank God for what he is doing in the hearts of men, the faithful word that comes from the throne of grace. Keep thanking God for the peace and tranquility of the program. As we get deeper, do not cease to pray that the convention shall be characterized with great outburst of the creative and transformative power of the Lord in extraordinary miracles of salvation, healings and deliverances (Acts 19:11). Pray for the hearts of the participants to be opened and receptive to the messages (Act 16:14); that every participant shall be stirred up through the word to obey the final command of our Lord and Saviour; for a great harvest of testimonies in the aftermath of the convention (Act 8:6–8); and for great harvest of souls and the restoration of backsliders (Act 2:40–41, 4:4). Pray that there shall be positive results of the convention bringing about the explosion of souls conversion and revivals for the Church (Act 6:7).

Moors (Mauritania): Population: 4,061,000. Language: Hassaniyya. Religion: Islam (99.90%), Christianity (0.10%). The people known as Moors today are an offshoot of the Berber people, specifically a Hijazi Arab/Tuareg, a mixed tribe. Moors are virtually all, Sunni Muslims and are part of the Malikite sect. Pray that God will grant wisdom and favour to mission agencies focusing on the Moors. Pray that God will open the hearts of Mauritania leaders to the gospel.

SAT. 10TH MAY: Pray for yourself as a member or partner of this ministry, that by reason of His word and power, you shall experience in this year's convention, God's faithfulness and that the Lord will cause all limitations broken in His people's lives. People will begin to attain heights they never thought possible and experience limitless possibilities in life and ministry. (Mark 9:23, Matthew 17:20). Decree that kingdom men and women of valour shall be raised from this program from amongst us in all areas and spheres of life. (Jeremiah 30:21).

Baggara, Shuwa Arab: Population: (3,490,000). Language: Arabic, Chadian. Religion: Islam (Sunni) (99.50%) and (Chad): Christianity (0.50%). The Arabs of Chad occupy northern Cameroon and Nigeria (where they are sometimes known as Shuwa) and extend as a belt across Chad and into Sudan where they are called the Baggara. Muslims make up the majority of Chad's population including the Shuwa Arabs. Ask the Holy Spirit to take over the gospel as it goes forth via media communication to not only the Shuwa Arabs, but many of the Muslim groups that understand the Chadian Arabic. Ask the Holy Spirit to soften and make receptive the hearts of the Shuwa Arabs to the gospel that births transformation.

SUN. 11TH MAY: Today is the closing day of the 2025 Annual Mission Convention. Thank God for His presence in different dimensions. Pray for yourself that nothing and nobody will rob you of what God has committed to you. Pray for divine renewal on all those that laboured to ensure that the Convention succeeded and for safety for those travelling back. G-l-o-r-y to God. Thank God for all that gave themselves and their resources sacrificially to make this come, decree abundant blessings upon them and amazing grace to continue to do more .

Maninka, Eastern (Guinea): Population 3,485,000. Language: Manikandan, Eastern. Religion: Islam (Sunni Muslims) (98%.)

Ethnic Religions: (1.98%), Christianity (0.02). The Eastern Maninkaare being the second largest people's group in Guinea. They are the descendants of the Mande people of the once great Mali empire. Christianity 0.02%. Almost no Eastern Maninka people have taken the step to follow Christ. Pray for missionaries who are giving, groaning and going to reach the entire Maninka people's group with the gospel of the Saviour, Jesus Christ so they can receive and worship him together. Pray for the few Eastern Maninka believers to take seriously their role as Christ's ambassador to their people.

MON. 12TH MAY: We lack adequate words to use to express our gratitude to God for the success of the 21st Annual Mission Convention of the Global Glorious Missions which came to a close yesterday. Pray and thank God for the Conveners, the General Coordinator, BOT members, the entire Planning Committee including the Guest minsters and everyone that availed him/her to be used of the LORD to make this happen. God will cause glorious things to continue to happen for them. Ask God to remember each and reward all according to His riches in glory by Christ Jesus. Many of those who attended the program including our missionaries will be going back to the fields this morning, pray for divine safety. Pray for heart to obey God at all cost as we return to our duty posts.

TUE. 13TH MAY: And the angel of the Lord spoke to Philip, saying, “Arise and go toward the south along the road which goes down from Jerusalem to Gaza.” Pray for clear and specific instructions and guidance of the Holy Spirit on the direction to go as we seek to accelerate the harvest. Thank God for our Media Team under the leadership of Bro Joseph David, pray for God's wisdom, understanding and ideas as they serve as unto the Lord. Ask God's blessings upon them all.

Susu (Guinea): Population: 2,487,000. Main Language: Susu. Religion: Islam (95.50%); Ethnic Religions: (4.30%) and Christianity (0.20%). The Susu language also called Soso serves as a major trade language in West Africa and similar to Yalunk. The New Testament is available in their language. However, there are only a handful of known Susu believers in Guinea. They need the spiritual hunger it takes to seek and find the only Saviour. Pray that God will raise a generation of Susu people who to have great hunger for the truth and righteousness, and that they will embrace Jesus no matter the cost as they hear the word.

WED. 14TH MAY: Thank God for the souls saved, rededicated and re-awakened in the just concluded annual mission convention. Thank God for those who received specific calls to groan in the place of prayer, and those called to give their resources for the mission of the Father and for those called to go for the ready and waiting harvest. Pray that the investment of heaven on the convention will produce fruits that will abide, bear much fruit and accelerate the harvest.

Dyula (Burkina Faso): Population: 2,432,000. Main Language: Jula. Religion: Islam (99.20%) and Christianity (0.80%). The name Jula means "itinerant trader," and the Jula (AKA, Dyula) people are still well respected for their trading abilities. A complete Bible has been translated into their language. Pray for the spiritual openness among the Dyula people for good fruit to come from the efforts to take Christ to this people's group.

THUR. 15TH MAY: Through intercession

we can reach out to unbelievers and the dying with the healing touch of Christ who calls us to holiness and to Missions. Plead with God to fulfill His promise to His people by pouring upon us the latter rain of revival so that He might be feared and praised across the nations of the earth (Ps. 67:1-7). Plead for His Word to dwell with us so our lips might boldly declare His truth, love and mercy toward sinners among us and across the globe.

Soninke (Mali): Population: 2,057,000. Main Language: Soninke; Religion: Islam (94.99%); Ethnic Religions: (5%) and Christianity: (0.01%). The Soninke people were the founders and rulers of the Ghana empire. When the empire ended, the Soninke were scattered across West Africa including what is now Mali. Pray that the Lord sends a team of medical, educational and agriculture experts as missionaries to the Soninke in Mali to tell them about Jesus and help with their practical needs. Pray that the Lord raises up movement of Soninke disciples who will disciple others in the ways of Christ.

FRI. 16TH MAY: Population: 2,017,000. Main Language: Jula. Religion: Islam (94.40%); Ethnic Religions: 5% and Christianity (0.60%). Joyfully, we have seen the mercy of God extended to our Muslim neighbours as they gather in their various mosques today. Ask God to enlighten their hearts as they seek for spiritual truth, that they will know and experience Christ. Pray that God will send qualified workers into Muslim countries and communities and equip them with literature, materials, the resources they need and strategies to present the gospel in a such way that would be receptive. WED. 18TH JUN: The Lopawa people's group are found in Kebbi and Niger States. They are basically Muslims. The ministry has built a mission base among them with a missionary now stationed and engaging them with the gospel, using business to reach them due to the intense hostility to the gospel. We have sunk a borehole courtesy of Living Waters Ministry to meet their need for clean and portable water. We are having great testimonies of openings and interests in the gospel. Oral Bible Story in their language has gone far with several of them passionately sharing the stories of Christ in their language. Several have given their lives to Christ and are undergoing secret discipleship. Let's thank God for the great testimonies emerging from these fields and pray that there will be increased supernatural encounters and conversions and that God will bless the work by raising committed disciples and partners with particular burden for the total engagement of this frontier. Pastor Hassan Abubakar and his wife Laraba

Hassan are the resident missionaries; pray earnestly that they will succeed, gain the hearts, trust and audience of the people, and triumphantly lead them to Christ. THU. 26TH JUN: In contemporary missions, tent-making is continuing one's career in the host country instead of relying completely on financial support from sending partners. In restrictive-access countries, tent-making is one of the few ways to minister in a community. If a country will not allow missionaries, but they do allow business owners, the business as missions model may be a way to share the gospel in that context. FRI. 27TH JUN: The Islamic value system is not very different from those people's ethics and principles. Often, the dictates of society are of more importance than the value of a human being. Conforming to the letter of their religion is more essential than showing compassion towards a needy person. In general, the Islamic value system is there to direct individuals' behaviour and

control their thoughts. If one steps outside the boundaries of traditions and customs, one exposes oneself to trouble. In other words, if one's thoughts, plans, and actions are not aligned with those of the group, that person exposes himself to real danger.
Pray for Muslims coming to God through faith in the mighty Saviour that by the power of the Holy Spirit, they would readjust their value system and their priorities to express the values of our crucified and risen Saviour and Lord. vehicles owned by Muslims. In some cases, some of the drivers when they discover your intention is to go evangelize their brothers some times they will cancel the arrangements at the last minutes, while some will hike the price at the last minute or when they drop you, they won't return to pick you again. Since 99% of our mission fields are in the hinterlands, we wait endlessly without hearing from the driver. We direly need a strong bus; four wheels pick up and motorcycles to always be on the GO. Most of today's least-reached people have not heard the gospel because it remains so difficult to reach them! Many barriers (geography, language, culture, religion, politics, economics and spiritual darkness) leave them hidden or overlooked. These unreached groups generally will not hear the good news until someone reaches across the barriers to share and demonstrate the love of Christ or until a Church grows among them. Pioneer mission work is hard, expensive and takes time. It requires great cultural understanding, commitment, and spiritual warfare through prayer. Many unreached people have small populations and Christians know very little about them because they are so isolated or because they appear to blend in with larger groups. Ask God to reveal Jesus to these smaller and more vulnerable groups. Pray that God will thrust out labourers to every unreached people's group, nation, tribe and tongue.
